

# Two Pina Coladas (Lou Mac 211) Don Wood

---

## OPENER - MIDDLE BREAK - CLOSER

### Sides face grand square

I was feelin' the blues watching the news  
When this fella came on the TV  
He said I'm tellin' you science has broved  
Heartaches are healed by the sea

### Allemande and weave

That got me going without even knowin'  
I packed right up and drove down

### Swing, promenade

Now I'm on a roll and I swear to my soul  
Tonight I'm goin' paint this town

## FIGURE

### Heads promenade half with the wind and the waves

While the sides square thru you know  
Go all the way, then why don't you swing thru my friend  
Then the boys run right, you ferris wheel and go

### Square thru with me and you gotta go 3

### Swing and promenade her along

I got a smile that goes on for miles  
With no inclination to roam
